“Many athletes experience feelings of loss following retirement from sport.

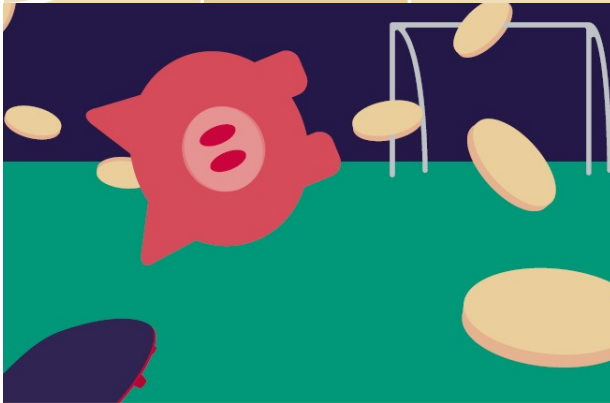

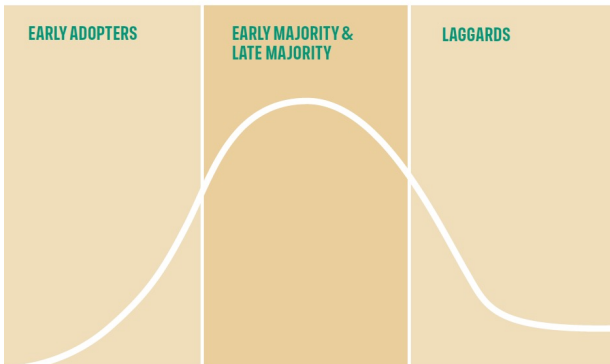

Athletes who are effectively supported in preparing for this loss can realise a potential competitive advantage in their sport.”

David Lavalley
Professor Duty of care in sport

PLAYER DEVELOPMENT PROGRAMMA

THINK ABOUT PLAYERS IN THE FOLLOWING WAY:

MEASURING SUCCESS

“ YOU ARE MORE
THAN WHAT YOU DO.”

- EXCELLING
- THRIVING
- UNSETTLED
- STRUGGLING
- IN CRISIS

SPELERS BEGRIJPEN

“As every athlete knows but maybe doesn’t want to admit to themselves, the day where you have to step away from the game does come.”

“ Footballers think they will earn a lot of money and don’t need to pass exams but football is a short career.”

“WHEN YOU’RE DOING SOMETHING
YOU DREAMED ABOUT IT’S HARD TO
UNDERSTAND THAT IT’S NOT GOING
TO LAST FOREVER”

— by Thomas Kortegaard, footballer and trainee teacher, Denmark
